CERTIFICATES OF DEPOSIT: Many of us over the years have placed our money in CDs in order to get a better return on our money or to save for things we might need. We have done this for years with our local bank. Did you know that you purchase CDs from the Polish National Union? Yes, now Spojnia is offering CDs as part of their product line. The interest on PNU CDs is comparable or better than the bank. To purchase CDs from PNU you must be a member of the Credit Union of PNU which is very easy to join. The membership fee is **\$50.00** plus **\$1.00** for credit union share. It is important that we support our own organization. If you would like to become a member of the credit union and take advantage of this & other PNU products, see Fr. Carmen for an application.
