TAXI: A taxi passenger tapped the driver on the shoulder to ask a question. The driver screamed, lost control of the car, nearly hit a bus, went up on the sidewalk and stopped inches from a shop window. The driver said, "Look mate, don't ever do that again. You scared the daylight out of me." The passenger apologized and said, I didn't realize a little tap would scare you so much. " The driver replied, "Sorry, it's not really your fault. Today is my first day as a cab driver. I've been driving a hearse for the past 25 years."
